

Payments Processing Officer – Internship

An Internship at Link Financial Services, one of Europe’s most trusted providers of outsourced loan management and standby servicing solutions, is a fantastic opportunity to start a career in the financial services sector.

We expect you to be currently enrolled at a University or majoring in a financial field, to be comfortable working with quantitative and qualitative data and really know your way around Excel spreadsheets. Good communication skills (in writing and in person) are a must.

Link Financial Services is proud to be an equal opportunity employer. We embrace diversity and are committed to creating an inclusive environment for all employees.

Mission:

- Work as a member of Payments team while learning and using guidelines and procedures complying with Financial Conduct Authority
- Be part of the team that has excellent data entry skills and is highly attentive to details
- Collaborate with other team members to understand and learn the process of payments reconciliation for countries such as Great Britain, Spain, Italy, France and Portugal
- Collaborate with multiple teams in high transparency roles
- Participate in processing of daily payments, accurately and in a timely manner

Profile:

- Educated/ Master degree level or equivalent of financial university is a plus
- Able to receive feedback positively and act on it accordingly
- Highly organised, team-player, written and verbal communication skills

- Enthusiastic and results driven
- Computer literate (Excel, Word, Web Browsing, Windows applications)
- Language: Highly proficient in English (written and spoken)

Applications and interview process:

All candidates are invited to send their resumes @ info@linkfinancial.ro.

Selected candidates will be invited to attend online or face to face interviews.

Each candidate will be notified if any changes are made during the recruitment process.

Location: Iasi, Tudor Office Center, Ciurchi 126 – 128, 6th Floor
